

Basics of Saving and Investing

A workshop offered by the Arkansas Council on Economic Education, the Arkansas Securities Department and the Federal Reserve Bank of St. Louis, Little Rock Branch

About This Workshop

This workshop will use the guide *The Basics of Saving and Investing: Investor Education 2020* to help teachers learn how to provide their students with both economic and investment information. Topics covered in this guide include saving, investment products, financial markets, and risk and return. Each unit contains learning objectives, suggested activities, overheads, noncommercial web sites and a glossary of terms.

All middle school and high school teachers are invited to attend. Lunch will be provided. All participants will receive 6 hours per day of in-service credit, with 2 hours technology training, as well as a copy of the book, which also includes lesson plans, handouts and tests.

The workshop is free, but you must register to ensure a space. Register by mail, e-mail, phone or online. Please contact Julie Kerr at 324-8296, e-mail her at julie.a.kerr@stls.frb.org, register online at www.stlouisfed.org/education/conferences.html or mail this form to: Julie Kerr, Federal Reserve Bank of St. Louis, P.O. Box 1261, Little Rock, AR 72203.
